Work Experience

School spectacular student production team

2023-2024

During the School Spectacular 2024, I was part of the student production team, where I developed strong communication, problem-solving, and teamwork skills. I worked closely with peers and staff to ensure smooth backstage operations, quickly adapting to challenges and learning tasks on the go. I demonstrated responsibility, respect, and professionalism throughout the event, showing I'm an active and quick learner in fast-paced environments.
